

Department of
Transportation

ANDREW M. CUOMO
Governor

PAUL A. KARAS
Acting Commissioner

JOSEPH T. BROWN, P.E.
Regional Director

November 8, 2018

Mr. Gilbert Anderson, Commissioner
Suffolk County Public Works Department
335 Yaphank Avenue
Yaphank, NY 11980

Dear Commissioner Anderson:

This is in response to your letter regarding the Long Island Expressway (I-495) Service Roads between Exit's 66 & 67.

The position of the New York State Department of Transportation (NYSDOT) remains unchanged from that outlined in my May 18, 2018 letter to you. Under Highway Law Section 10 (25), Suffolk County should continue to maintain the service roads, including resurfacing when required.

I look forward to continuing our meeting with you and your staff regarding maintenance of the I-495 service roads and other highways in the county where maintenance responsibilities can be exchanged.

Sincerely,

Joseph T. Brown, P.E.
Regional Director
